Re: U.S.F.S. Air Operations Building

Dear Mr. Schlechten:

I received your June 7, 2007, letter on July 31, 2007. Thank you for your correspondence. I do recall our June 6, 2007, meeting at the air operations building. It is my understanding from talking with Page Gough that the work on the air ducting that you promised to do has been done and that the Forest Service is quite happy with the work. Regarding the shade fence, I do not know what will need to be done however I will have Page talk to the Forest Service and get back to you if that is something that we would like to do. Otherwise I feel that this matter is ended as far as the County is concerned. As a general rule, we do not prepare agreements in such matters. If there is specific language that you would like to see, I am sure that can be reached either between you and I or Ms. Goheen and myself.

Sincerely,

Alex Beal
